

Originally planted in 1910, Rossi Ranch is steeped in Sonoma Valley history. In 2012, My friend Phil resurrected its old vines in 2012 and today, together we make magic! The Rossi Ranch GSM showcases the amazing terroir of this heritage vineyard and allowed me to work with each of these varietals separately and then together to create the perfect blend for aging.

Black cherry in color with aromatics of wild raspberry, strawberries, cola/Dr. Pepper, and black licorice with savory notes and smoked game notes. Loaded with black and red raspberries, plus sweet strawberries, and red and black licorice. A pure pinpoint intense savory aspect that flows through out the wine, with just a touch of white and green peppercorn notes. The palate is very giving, from the lush front palate to the luxurious midpalate to an everlasting finish. My passion for wines of the southern Rhone continually drives me to find the best vineyards from which to create an epic GSM; one not of sheer power, but one of intensity and elegance.

60% Grenache, 20% Syrah, 20% Mourvèdre
60% whole cluster fermentation, Aged for 18 months in 600 gallon neutral Foudre. Drink 2022 - 2028.

2018 Rossi Ranch Vineyard Sonoma Valley AVA

100% Organic GSM

15.5% Alc

" It has a medium ruby color and gregarious red berry fruits, with notes of blood orange, cracked pepper and charred meats. Medium-bodied, it's grainy and fresh with understated, pepper-laced fruits and an uplifted, juicy finish."
