

The Landy Sweetwater Springs Vineyard, planted from the St. Peter's Church Selection, is a gorgeous site ranging from 300 to 1000 ft. elevation. The Zinfandel that grows here is dark and rich, as the rocky and sloping hillsides force the fruit to dig deep for nutrients, while the well drained soil brings a mineral backbone to the wine.

Our daughter Isabel is vibrant with music as her guiding light. To me, this is what zinfandel is all about. Deep dark and mysterious in color. Aromas of very ripe blackberry, plum and raspberry that ooze from the glass and keep you coming back just for the aromatics. The palate is incredibly plush and very giving. Flavors of blackberry, black cherry, roasted earth. Very concentrated and layered but has a sense of elegance and finesse.

20% whole cluster fermentation, 30% new French oak 228 to 350L barrels, and a 275 gallon 'Hippo' shaped concrete tank.
Drink 2023 - 2030.

2019 Sweetwater Springs Vineyard

Isabel

Russian River Valley

Sustainably Farmed 85% Zinfandel / 15% Petite Sirah
15.2% Alc

JEB DUNNUCK 94

The aromas of the 2019 Zinfandel Sweetwater Springs Vineyard move in a more savory direction, with scorched earth, inky plum, and lavender. The palate is full and generous, offering black fruit, dark chocolate, and graphite.
